

Stakeholder Dues

2011 and Beyond

Lacey Jane Wolfe

Co-Coordinator

Petroleum Displacement

- Displaced more than one million gallons of gasoline
- Avoided the production of ten thousand tons of greenhouse gases

Grant Funding

- Secured more than \$12 million in federal and state grant funds

Workshops and Events

- Electric Vehicles Conference
- State Fair
- 100 Best Fleets

If you haven't yet taken the survey, write this down:

<http://www.surveymonkey.com/s/FX2DGSB>

- Members liked the coalition’s “fuel-neutral position and willingness to help stakeholders”
- “An invaluable resource for education, outreach, and alternative vehicle programs.”
- “Good membership. Good leadership. Good progress.”

- Nearly everyone wanted more funding opportunities and education
- “Innovative ideas from other states/countries”
- “Bring more capital; leverage banks and major players; minority involvement; outreach to major companies”
- Shorten meetings to an hour, limit “sales pitches”

Thank you to the stakeholders who have already paid their 2010 dues!

Advanced Energy

City of Durham

City of Raleigh

Ferrell Gas

Piedmont Biofuels

Potter Oil Company

Town of Cary

Town of Garner

Wake County

White's International Trucks

If you think your organization should be on this list, please let us know after the meeting.
